# Gerni

The Gerni MC 4M is designed for light, general cleaning tasks and is the ideal choice for tradesmen, small building companies, small garages and farms. This range is equipped with a professional 1450 rpm motor pump unit with ceramic coated for slightly heavier applications, developed for low to medium intensity use.

The Gerni MC 4M is the first of our exciting new range of professional Gerni machines.

An upgrade from the Poseidon 4-29, the new Gerni MC4M features increased power, a new design and a unique and fast foam sprayer system with a separate bottle for efficient cleaning.

Achieve faster, more effective and intelligent cleaning with the new Gerni MC4M. A portable single phase cold water pressure cleaner, designed for light to moderate commercial use.

Replacing the Poseidon 4-29, the Gerni MC4M boasts increased power, a new design and a unique foam sprayer increasing nozzle pressure by up to 20%. It all adds up to superior cleaning results, saved time and lower costs.
